Sir,

I beg to submit further that the site of the ferry can be reached at the 10th Mile 3rd Furlong Stone of Puttur-Perbe -Kariyoor Road and from 10/3 to the actual ferry it is only five furlongs of Kuchcha road. The latter can be easily enquired into through the Sectional Officer Puttur. Even if the old Ferry Registers are perused, the Ferry name will be found to be ' Sanantnimoor Ferry '. Further particulars and plan if necessary will be given whenever called for or at enquiry at the sight.

I beg to remain

Returned to the ... Panchayath Board, South Canara, through the Assistant Engineer Puttur

The Panchayat Board was asked to furnish the necessary records, if any, in the said reference dated 18-11-43. The same have not yet been received. On a reference to the Village map it is seen that the boundary line of Kudmar and Kankar Village passes through the river; the one bank is in Kudmar and the other bank in Kankar Village. According to Rules both the Panchayat Boards are not entitled to have the control of the ferry since both have no jurisdiction on either banks. A Panchayat should have jurisdiction on both the banks if the ferry is to vest in it. Hence it is better to take back the ferry to the control of the P.W. Board. The ferry from Kankar Panchayat Board some years back

The Sanathmogar ferry lies between the villages of Kudmar & Alankaru and the roads leading to the ferry on either side are maintained by the respective Panchayat Boards. The ferry thus falls under sub-para-2(iii) of para-1 of G.O.637 (P.W.I) dated 2nd March, 1944. The Board, is therefore of the opinion that the District --

Board, South Kanara should manage the ferry and pay the net -- income in equal shares to the two Panchayat Boards after deducting the expenses incurred by the Dt. Board, on the maintenance of -- the ferry irrespective of the consideration that the management of the ferry was given over to the Alankaru Panchayat -- Board before the issue of the above G.O.

The Inspector's letter at pp 1-2 c.f. gives a brief summary of the case. The Sanathmogar ferry lies between the villages of Kudmar and Alankaru and the roads leading to the ferry on either side are maintained by the respective Panchayat Boards. ~~The Roads maintained by the Alankaru Panchayat Board is 3 miles 2 furlongs and the one maintained by the Kudmar Panchayat Board is 6 furlongs. From the statement, it is seen that the Alankaru Panchayat had not spent anything over the maintenance of the ferry for the past five years.~~ According to the instructions in subpara 2(iii) of para 1 of Go. 637 P.W dated 2.3.44 the South Kanara Dt. Bd. should manage the ferry and pay the net collections from the ferry (after deducting from the gross collections the actual expenditure incurred by it on the maintenance of the ferry) in equal shares to the two Panchayats.
